

The AFLW visit

## FROM THE PRINCIPAL

Welcome to our first newsletter for Term 3. I hope that you were able to enjoy some fun times with your family over the school break. We have been updated by SA Health regarding the need for diligence as we navigate the next few weeks to reduce the spread of COVID-19 as much as possible. We have included this information as a graphic for you to see how you can best work with us. If your child does have symptoms, we ask that you keep them home and get a PCR test to clear them before returning to school. If we have classroom contacts, we will notify you and remind you how to manage that situation. Please refer to the information included in this newsletter for more details.

The other thing we ask is that you consider the use of face masks. It is recommended that students in years 3 and above wear a face mask. We would like to ask that all visitors to the site use face masks when you are unable to distance from others. This is particularly an issue at drop off and pick up times when we have large numbers of people gathering in the same areas. Even though you are outside, there is often no opportunity for social distancing for students, parents, and staff so we would appreciate your help with this. We continue to pray for the health of you and your family.

Next week we will be celebrating 20 years as founding members of Christian Schools Australia (CSA). We will be visited by Mr Mark Ryan who is the State Executive Officer for CSA. I look forward to sharing more about that with you next time. This term we will hold our bi-annual Book Fair where you will be able to come to the library and purchase books (details to come soon). Reading is something that underpins so much of our learning and the time we give to reading with our children always pays off in helping them to value the experience of reading. If your child finds reading a challenge, I would encourage you to find books that you can enjoy together and spend time having fun, laughing, going on adventures, or exploring more information about our wonderful world.

This term we have swimming lessons for our Year 1, Year 2, Year 5 and Year 6 students. You will receive detailed information from your class teachers regarding the days your child will attend. In the holiday break our school Counsellor Ms Leeony Schrapel resigned from her position to move to Horsham to be closer to her daughter. We wish Leeony well in her new role close to family. We also welcome back two of our staff who have been on maternity leave. Mrs Bethany Doveton is re-joining our Reception team and Mrs Rachael Lee is working in Year 4 and some varied roles. It is wonderful to welcome them back to Bethany after 12 months. We do have awesome staff who really care and go above and beyond to help your child in their learning journey.

I look forward to all that God has for us as a community this term.

God bless,

**Wendy Matear**

Principal

A lying witness is unconvincing, a person who speaks truth is respected.

**Proverbs 21: 28**

# DEPUTY'S CORNER

Welcome to term 3! I trust you all had a restful two-week school break.

## Thank you!

In term 2, the Student Representative Council (SRC) held a Pyjama/Casual Day to raise funds for Hope Village in rural Sumatra, Indonesia. The very successful day raised \$769.00. This money will be presented to Hope Village by Mrs Wendy Matear and Mr Dean Huntley when they travel to Indonesia later this term. We are very much looking forward to seeing this money bless the children.

*Recently, the SRC hosted a casual clothes/Pyjama day. It was easy to set up and we felt it was very successful. In total we raised \$769 and we could not have done it without your help. This money will be given to our friends at Hope Village in Indonesia. It will be put towards helping the students there, providing them more resources. It will truly help them and the SRC are very grateful. Thank you to all those who contributed.*

-Olivia and Llana

(absent from photo, Layla and Matilda)

## **SRC**

The SRC have been working towards the fundraisers being held in term 3 and term 4. More information about term 3's fundraiser will be coming shortly. The SRC can announce that the very successful student run Market Day will once again be held in term 4. It is a huge undertaking to plan an event such as this, and the students in the SRC team will be working hard during this term to make Market Day another success. It is anticipated that by the end of this term, students from years 3-6 will be able to nominate their business idea for the Market Day. Again, pricing will range from 50c - \$10 per item, and there will be no option for selling beverages or food (which includes lollies and chocolate). It might be a great time this term for students to start to think creatively about what sorts of products they may wish to make and sell.

The SRC have also been approached by several keen students to showcase a dance they have had choreographed as part of calisthenics or a dance group. The SRC are thinking of having a special performance arena set up during the Market Day. This may be an option for students who would rather perform than sell a product on the day.

We are very much looking forward to watching the Market Day plans progress this term.

## **Student Leadership**

This term the Year 5s and 6s will be looking at the values of respect, obedience, responsibility, integrity, excellence and righteousness as they explore the laws of leadership outlined by John Maxwell.

This week the value was 'Respect' and the law of leadership was the "Law of Respect". The students looked at the leadership demonstrated by Harriet Tubman, a woman who led over 300 slaves to freedom in the 1800s. A challenge given to the students was to write a recipe for respect. Here is an example of their creativity:

### **How to make Respect - Stella (Year 5)**

#### **Ingredients**

Courage  
Willingness to help others  
Putting others first  
Kindness  
Trustworthiness  
Honesty  
Empathy  
Treating others how they want to be treated

#### **Method**

1. Throw in honesty and trustworthiness into the pot.
2. Grab some empathy and kindness and treating others how you want to be treated into the pot and stir well.
3. Chuck in willingness to help others and putting others first into the pot.
4. Add courage into the pot, stir well.

Now you have a pot of respect.

Lumin8 will once again host our Monday Morning Praise assemblies each Monday. ACTS will be exploring how they might apply the laws of leadership to their leadership roles this term. Activ8 will continue to make a practical contribution to student recess and lunch play by offering activities to students to encourage a variety of play options. I think that this term our student leaders will be keeping very busy!

I do wish you and your families a very safe and healthy term. Remember, if your child would like to wear a mask while at school, we would very much support the decision. We hope that COVID and the flu will be kept at bay this term.

God bless you,

Deb Clifford

**Deputy Principal**

# HIGHLIGHTS

## HEALTH CARE

Welcome back to Term 3 2022. As we start the new term I am praying for health and wellness for our school community. I would like to thank all the parents/caregivers for their cooperation with the school in following the guidelines provided by SA health, related to the management of COVID-19.

### Things to think about

In order to encourage a healthy and safe environment for our students and staff, please consider the following:

- If your child develops any signs and symptoms related to COVID-19, **rule out COVID-19 by doing a PCR test**. Your nearest PCR testing center is Elizabeth South drive-through COVID-19 testing station (SA Pathology), 185 Philip Highway, Elizabeth South SA 5112
- Notify the school with specific reasons such as sore throat, fever or diarrhea rather than unwell or sick, this will help us to put effective measures in place to avoid further spread
- If the PCR test result is negative to COVID-19, let the child rest until symptoms have resolved
- Please do not send your child to school after giving Panadol or Nurofen (ibuprofen), as this can mask the fever and it will make your child more prone to sickness and the infection can spread to other students as well.
- SA health recommends an exclusion period for communicable disease. Follow this link for more details about the exclusion period  
<https://www.sahealth.sa.gov.au/wps/wcm/connect/public+content/sa+health+internet/conditions/infectious+diseases/exclusion+from+childcare+preschool+school+and+work>

SA health has updated their recommendations and guidelines to help the school to prevent the outbreak of C-19 in schools and to provide a safe school community for the students to learn and enjoy. Below is the snap shot of the updates.

### COVID-19 Update Term 3 2022

#### CLASSROOM CONTACT

*Definition* - A student or staff member shared a classroom with someone who has tested positive for COVID-19 (teacher, SSO, staff member or student).

*Recommendations* - Parents will be informed if there has been a positive case of COVID-19 by the school. Students (aside from the positive case/s) will be encouraged to continue attending school. If a student has symptoms, they must not attend school and get tested as soon as possible.

#### SCHOOL CLOSE CONTACT

*Definition* - A student who spends a cumulative period of 4 hours indoors, in close physical proximity and not wearing a mask with another adult who has tested positive for COVID-19.

*Recommendations* - Parents will be informed if there has been a positive case of COVID-19 by the school and further instructions on undertaking 5 rapid antigen tests over a 7-day period following the exposure.

#### COMMUNITY CLOSE CONTACT

*Definition* - Students who spend a cumulative period of 4 hours indoors, in close physical proximity and not wearing a mask with another adult who has tested positive for COVID-19 outside the school community/outside working hours.

*Recommendations* - Undertake 5 rapid antigen tests over a 7-day period following exposure. You can access free rapid antigen tests from RAT Collection Points across the state. You need to register before collecting your kits from the RAT Collection Point.

Community Close contact can come to school as long as they are asymptomatic and have negative screening RATs (Five test over seven days).

**PCR testing is strongly recommended for students with symptoms similar to COVID-19 to rule out COVID.**

#### **EXCLUSION PERIOD**

People who have recovered from COVID-19 will not be considered a close contact for 28 days after their release from isolation.

#### **OUTBREAK GUIDELINE**

- In the event of an outbreak, an outbreak notification and enhanced testing note will be sent home via email requesting the below;
- Students with no symptoms will be asked to do a school provided RAT test within 48 hours of notification
- Students with symptoms will be asked to do PCR
- Face mask will be worn for 14 days by staff and adult visitors

Once again, I thank you for all your support to help us maintain a healthy school environment for our students and staff.

Kind Regards

**Priya Wilson**  
School Nurse

**COVID 19 UPDATE**

# TESTING, ISOLATING AND QUARANTINE FOR PRESCHOOL AND EARLY CHILDHOOD SETTINGS

FROM 14 JULY

**IF A CHILD OR STAFF MEMBER TESTS POSITIVE FOR COVID-19 THEY MUST NOTIFY THE SERVICE AND ISOLATE FOR 7 DAYS.**

## CONTACT DEFINITIONS AND REQUIREMENTS

### Child

Children attending the site undertaking normal learning and care activities

#### CHILDREN ARE A CLASSROOM CONTACT IF:

- a child who is in a group/room where the early childhood educator, teacher, worker or another child has tested positive for COVID-19

Parents will be informed there has been a positive case of COVID-19 by the individual service

#### INFORMATION FOR CHILDREN:

- if the child has symptoms, they must not attend the service and get tested as soon as possible
- children (aside from the positive case/s) will be encouraged to continue attending the service if they don't have any symptoms

### Early childhood worker, educator or teacher

People working in early childhood settings

#### YOU ARE A CLASSROOM CONTACT IF:

- you worked in a room where a child or other early childhood worker has tested positive for COVID-19

#### YOU ARE REQUIRED TO:

- rapid antigen 'test to stay' on Monday, Wednesday, Friday and attend work if you receive a negative result for staff can continue to test daily over the 7 day period if preferred)

#### YOU ARE A CLOSE CONTACT IF:

Leaders and managers should apply a pragmatic approach to managing who is or is not a close contact when following the testing, isolating and quarantine (TIQ) process.

- you spend a cumulative period of 4 hours indoors, in close physical proximity and not wearing a mask with another adult who has tested positive for COVID-19

#### REQUIREMENTS

- undertake 5 rapid antigen tests over a 7-day period following exposure\*

### Ancillary staff

Administrative staff with limited student/child contact, chefs etc.

#### YOU ARE A CLASSROOM CONTACT IF:

- you worked in a room where a child or other early childhood worker has tested positive for COVID-19

#### YOU ARE REQUIRED TO:

- rapid antigen 'test to stay' on Monday, Wednesday, Friday and attend work if you receive a negative result for staff can continue to test daily over the 7 day period if preferred)

#### YOU ARE A CLOSE CONTACT IF:

- you spend a cumulative period of 4 hours indoors, in close physical proximity and not wearing a mask with another adult who has tested positive for COVID-19

#### REQUIREMENTS

- undertake 5 rapid antigen tests over a 7-day period following exposure\*

## RAPID ANTIGEN TESTING

Rapid antigen testing surveillance for all preschool and early childhood education and care staff is strongly recommended. If you choose to do surveillance testing, this must be done every Monday, Wednesday and Friday regardless of the number of days worked in a week. A positive result must be reported to SA Health (within 24 hours) via their website and to your leader.

STAFF OR CHILDREN WHO HAVE BEEN RECOMMENDED TO UNDERTAKE PCR TESTING OR WHERE THEIR SERVICE/GROUP/ROOM HAS BEEN TEMPORARILY CLOSED AS A CIRCUIT BREAKER IN THE PAST WEEK, SA HEALTH ADVICE IS TO DO THE FOLLOWING FOR 7 DAYS:

- avoid attending OSHC and extra-curricular activities and excursions
- avoid high risk settings or COVID Management Plan events
- wear a surgical mask around others (where age appropriate) and outside your home

- avoid working across worksites unless an approved risk management plan is in place (eg rapid antigen testing)
- avoid contact with vulnerable people outside of your workplace or family, where possible
- avoid non-essential activities where possible (eg where there are lots of people, inside, in close contact)
- avoid shared spaces and maintain physical distance.

\*People who have recovered from COVID-19 will not be considered a close contact for 28 days after their release from isolation. After 28 days, you will still be considered a close contact if you are exposed to COVID-19 and meet the close contact definition.

# TESTING, ISOLATING AND QUARANTINE FOR SCHOOL AND OSHC SETTINGS

FROM 14 JULY

**IF A STUDENT OR STAFF MEMBER TESTS POSITIVE FOR COVID-19 THEY MUST NOTIFY THE SCHOOL AND/OR OSHC AND ISOLATE FOR 7 DAYS.**

Government of South Australia  
Department for Education

## CONTACT DEFINITIONS AND REQUIREMENTS

<b>Student</b> <small>Students attending the site and undertaking learning activities</small>	<b>Teacher or school services officer in classroom settings</b> <small>People working in classroom and/or OSHC settings (teachers, AEWs, SSOs)</small>	<b>Student support in 1:1 settings</b> <small>People working 1:1 with students (eg SSOs, disability support, allied health workers)</small>	<b>Ancillary staff and contractors</b> <small>Administrative positions with limited student/child contact, ground keeping etc.</small>
