

Mother's Day Stall

## FROM THE PRINCIPAL

Welcome to our newsletter for Week 3. Our Year 6 students have returned safely from camp, our Year 3 and Year 5 students have finished NAPLAN and our Junior Primary students are participating in some maths assessments to track their progress. It has certainly been a busy and productive week. We have also enjoyed a Jump Rope for Heart session as we prepare for a jump off day later this term.

Temple Christian College, Paralowie Campus are performing the musical Annie in Week 6 of this term. Many of our old scholars are involved in the show and I look forward to seeing them perform. Our students will attend a matinee session on Friday 4th June. We will be making some adjustments to the use of our Performing Arts Centre in Week 6 to accommodate the musical.

Throughout the year, there are a number of extra-curricular activities that many of our students choose to participate in including sporting teams, lunch time groups and choir. These are wonderful ways that children can develop skills, grow in relationships and build confidence. It was lovely to see that our students came first in the SAPSASA cross country event last Friday and I was really impressed with the way our students represented our school. Later this term our choir will perform for parents and share what they have been learning. Our weekly sports teams also continue to represent us in the broader community and I want to thank you as parents for your commitment to supporting your children in these varied experiences.

Our school photograph day is approaching and so if you need to purchase a uniform item, please remember that you are able to order online or drop in to the shop on Wednesday or Friday mornings.

As the weather gets colder and we have more rain, please remember that the way you enter and exit the carpark really helps to keep all of our children safe. It is also very important to keep up early bedtimes and healthy meals. I do want to encourage you as a parent, that the small things that you do every day to keep your household healthy and running are appreciated. I know that parents can feel underappreciated but we do thank you for keeping up routines, following through, and providing a safe home for your child.

I pray that you will find some time to rest this weekend.

God bless,

**Wendy Matear**  
Principal

**Memory Verse**

Therefore, since we have been made right in God's sight by faith, we have peace with God because of what Jesus Christ our Lord has done for us.

*Romans 5:1*

## DEPUTY'S CORNER

Our Year 6s returned from their camp at Wirraway safely with many good memories created. It was so wonderful to see our students excited about the adventures that they had. The horse riding seemed to be the clear favourite activity. Next week on Thursday 20th May, our Year 3s will be having a sleep over at school as their first ever school camp experience. I look forward to hearing what new experience was their favourite!

School Photo day is coming up quickly. The date for the school photos is Thursday 27th of May. I have noticed many students not wearing the correct winter uniform. Please check that your child has the full winter uniform before their school photos. You still have time to order new items from the School Locker in preparation for the photo day. Boys are required to have the long grey pants and long-sleeved blue shirt. If you are unsure about the uniform requirements, check out pages 13-15 in your child's school diary. The weather is coming in cooler, so the warmer clothing will be more suitable for your child.

We have been very fortunate to secure a concert with Peter Coombe on Tuesday 8th June (week 7). He will be performing to our whole school, ELC - Year 6. He will be making CDs and DVDs available to purchase on the day. More information on how families might be able to buy either a CD or DVD will be made available in the coming weeks.

Week 7 this term appears to be a very busy week. The SRC are currently planning to have a PJ/Casual day on Thursday 10th of June. It will be once again a gold coin donation to come to school wearing your PJs, or your casual clothing if you're not adventurous enough to come to school in your PJs! All proceeds will be going towards buying equipment for the new nature play near the oval. Advertising for the PJ/Casual day will be coming shortly.

Finally, in week 7 we are having a Pupil Free Day on **Friday 11th of June**. Don't forget to add it to your calendar!

I wish you and your families a safe and warm week.

God bless you,

**Deb Clifford**

## HEALTH CARE

Welcome to Week 3 of Term 2.

I would like to remind you of the following:

### **Year 3 Sleepover and Excursion - medication requirements**

The Year 3's will be having their sleepover at school in week 4 on 20/05/2021 and Excursion on Friday 21/05/2021.

The school will pack the medication that has already been provided to the school for the Year 3 sleepover.

However, if your child is on any regular medication that needs to be administered during the night or day time, please provide the new medication along with a Doctor's note by Tuesday prior to the event (18/05/2021).

\*All medications needing to be administered during this time, including over the counter and herbal medication, **must** have a Doctor's note.

### **Health Topic of the week**

#### **Head Lice (Referred from SA health Website)**

Head lice are small parasitic insects that live close to the human scalp. Head lice are pests but rarely pose a threat to health. Outbreaks can be minimised if parents and guardians regularly check children for head lice and follow the recommended treatment methods if active lice are found.

Some of the steps to prevent headlice:

- check for head lice weekly - daily during head lice outbreaks
- treat head lice as soon as they are detected
- avoid direct head-to-head contact
- keep long hair firmly platted or braided and slick down stray hairs with hairspray or gel
- avoid sharing brushes, combs, hats and helmets

Notify the school if you notice headlice on your child. For further detailed information please visit the school website following this link - [www.bethany.sa.edu.au/newsletter/files/HeadLice\\_YGW\\_20191202.pdf](http://www.bethany.sa.edu.au/newsletter/files/HeadLice_YGW_20191202.pdf)

God bless you,

## AUSTRALIAN EARLY DEVELOPMENT CENSUS

### **Playing our part to build a national picture of child health**

Our school, along with thousands of others across the country will begin preparations for the fifth Australian

## Early Development Census (AEDC).

The AEDC gives us a national picture of the development, health and wellbeing of children in their first year of full-time school. Since 2009, the census results have helped communities, schools and governments plan services and develop better policies to target support for children and families.

Children don't miss any class time, and parents/carers don't need to supply schools with any new information for the census. The AEDC gives us data at a school and community level - it isn't an assessment of individual children.

Some teachers have also noticed that completing the assessments made them more aware of the needs of individual children and the class as a whole and that the census results are useful in planning for transitions to Year 1 and developing class programs.

Participation in the AEDC is voluntary. Parents/carers don't need to take any action unless they choose not to include their children in the census.

To find out more about the census and how communities are using the data to help children and families visit the AEDC website: [www.aedc.gov.au](http://www.aedc.gov.au).

If you have any questions, you can contact Karen Julius on 8283 0000.

## UNIFORM EXCHANGE

We would like to remind parents of a website that we recommended last year for the sale and purchasing of second hand uniforms. As our Uniform Shop does not handle second hand uniforms we ask that you use this site to sell any items you might want to pass on.

### Things we liked about the Uniform Exchange:

- All posts are free and there are no costs associated with the Uniform Exchange second hand online store.
- All transactions are organised between the buyer and seller and money does not go through the website.
- All Items that are put up for sale are approved by a moderator to make sure that the site is used appropriately. (Approval is done on weekdays pending moderator availability)
- It is a safe and creditable site that does not contain offensive content, unhelpful comments and targeted advertising.

Click the button below to visit the Uniform Exchange Website.

We hope the Uniform Exchange website can help you move on your old uniforms to a new home and save families some money and get a good deal.

## SCHOOL PHOTOS

Our school photo day is **Thursday 27th May**. Please take time to read the relevant information on the MSP payment envelope and remember these helpful points:

- Don't seal envelopes inside each other - you can pay for all your children in one envelope however each child needs to have their own envelope on photo day.
- Use the Shootkey on your envelope to order online.
- Family envelopes are available at the school office upon request.
- Please enclose correct money as no change is given - cash, cheques and money orders only. Credit card payments can only be made online.

For any enquiries please contact MSP Photography on 8132 1148 or [enquiries.adl@msp.com.au](mailto:enquiries.adl@msp.com.au)
