

The Father's Day Stall

FROM THE PRINCIPAL

Welcome to our Week 7 newsletter for Term 3. We have been putting a great deal of thought into how we can manage our school events or what students will be doing to celebrate a year of learning, even though this year has flowed in a very different way. Fortunately we are able to enjoy most of our school activities without restriction. The biggest challenge will be how parents can enjoy these celebrations. We are continuing to work on our plans with a great deal of care and creativity to ensure that we take into account learning, safety, health and celebration. Thank you in advance for your understanding as things are adapted to our current restrictions.

Next Friday, 11th September we have a Pupil Free day and so we have staff but no students at school. OSHC will be open for bookings.

Last week our Student Representative Council (SRC) held a PJ/Casual clothes day. Thank you for your support of this fun day. They were able to meet their goal of purchasing a giant chess set to be set up in the yard. This was a student initiative that they were able to lead and follow through. It is excellent to see students learning these important skills in a meaningful way. I would encourage you to find ways to give leadership opportunities to your children in age appropriate ways. Responsibility is developed as we are trusted to lead and allowed to learn through our own mistakes. Many of the things that we now know are due to the mistakes we have made and learnt from throughout our lives. Reflection and feedback are essential elements of learning. It is in the conversations that you have with your children reflecting of their learning, that will help them to see the value of these learning opportunities.

Jump Rope for Heart is coming up soon and it has been awesome to see so many students choosing to skip during play times. Skipping is a wonderful aerobic activity that builds fitness. This fundraiser is another way that we can be a blessing to others.

This week we are holding our Father's Day stall at school during school time. This enables us to serve the children in class groups throughout the day as a way to bless the dads in our school community. Please see the advertisement further down for more information.

I have reminded the students this week about the importance of maintaining good hygiene practices, particularly washing hands. There are some students with colds and flus and we ask that you keep them home to rest in order to keep the school community healthy. We understand the inconvenience this can cause and really appreciate your diligence in this matter.

I pray that you have a restful weekend and enjoy the sunny days that are becoming more frequent.

God bless,

Wendy Matear
Principal

Plover News Update

Everyone had been watching the noisy plovers as they incubated their clutch of eggs in the loose parts play area over the past few weeks. Over the weekend of the 23rd of August, the chicks hatched. The students had a chance to see them from afar with the parents anxiously watching over their brood. They now have moved onto a safer area rather than choosing our busy oval to raise their babies.

Traffic Update

Thank you to everyone who is using extreme caution and driving safely while picking up your children at the end of the day. Please continue to drive safely in our car parks. Remember to observe the traffic signage, particularly the, 'no turn left' signs. Our staff are primarily responsible to keep our students safe. If they do address a driver over something that is incorrect, it is only to ensure the safety of our students. Please do not abuse the Temple or Bethany staff! They are only doing their jobs.

SRC Pyjama Day Success!

Hello Parents & Caregivers,

Last week the SRC had organised a pyjama's and casual clothes day! The day was amazing, we are delighted to say that we have achieved our goal of raising enough money to buy a giant chess set and we were able to order one. The chess set will be placed in the loose play area for children to play with as we promised. In total we raised an amount of \$819.55. It was a fun and exciting day to see the children in their pyjama's and in casual clothes. Photos were taken by BCS Creations on the day, for memories in the future. We hope to do further fundraisers in the future.

Thank you for all helping us raise enough money.

Kind regards,

SRC Team

After School Sport Training

It has been wonderful to finally have our after school sport training resume this term. Due to COVID19 restrictions, we can only host 1 parent per family to come and watch the practices. Please keep in mind that any siblings that remain with you on site after school are not supervised by teaching staff. Our staff who are out with the students must remain with their sport team and cannot supervise siblings. To avoid injury or incidents on site, please supervise your children who are waiting for their sibling who is participating in the after school sports practice. Your support in this matter is greatly appreciated.

I wish you and your families a wonderful week.

God bless you,

Deb Clifford
