

# BETHANY CHRISTIAN SCHOOL

---

## *Learning Principles*

1. Learning is a Journey that illuminates God's Big Story.
2. Learning involves challenging thinking to broaden understanding.
3. Learning is built on evidence based research and relevant action for excellent practice.
4. Learning flourishes in an environment of safety, support and stimulation.
5. Learning is actively promoted through goal setting, fair and credible assessment and positive reflection.
6. Learning is accelerated by timely and effective feedback.
7. Learning influences self-discovery and social awareness.
8. Learning acknowledges diversity, which requires continuous adjustments for individual success.
9. Learning is purposeful and builds competence, confidence, capacity, creativity and connectedness.
10. Learning is empowered by a fearless pursuit of purpose.
