2018 WEEKLY SPORTS PROGRAM

Dear Parent/Care Giver,

Bethany Christian School offers a Weekly Sports program. This program is a user pay program that is staffed by volunteers. Your child has shown interest in one of the sports on the reverse of this page. If you would like your child to participate in the program, please complete and return the interest form. A confirmation email will be sent when the teams have been finalised either confirming your child's spot into a team or onto the waiting list.

Below is the essential information regarding the Weekly Sports Program:

- The focus is on doing ones best, commitment, development, sportsmanship and fun in a secure environment.
- Coaches of teams have been police checked, completed the volunteers' course, and will be working towards completing the Beginning Coaches Principals Certificate and taking the entry level coaching accreditation.
- The season fee is outlined in each sport program overview. The season fee will be invoiced and sent out to you. This will need to be paid to the Sports Department by Week 5 of the term in which the season starts.
- The Season Fee goes towards the following where relevant; uniform hire, team and player registration, trophy costs and end of season presentations.
- Any weekly recreation centre sport fees that are required will need to be paid to the team coach each week before participating.
- Age groups and gender are outlined in each sport program.
- Each sport generally has a set number of players within the team with the aim of maximising playing time.
- Training is compulsory; players who do not attend training will not receive as much playing time. Please confirm the training times via the school's website or by contacting the Sports Department. The coach must be advised of all absences for trainings and matches.
- Training sessions are held at school, during the school term generally from 3.30 to 4.15pm/4.30pm.
- Training will be automatically cancelled if the Bureau of Meteorology forecasts the temperature to be 35 degrees or above on the day of training. The forecast reading from BOM will be taken from the 4pm update the day before training. If it is raining, training will continue as it will take place under cover. If you are unsure if training is continuing please contact the coach on the day of training.
- Players will get to experience each position over the course of the season while playing in any 9 & under level.
- Each player will receive a participation trophy at the end of the season [if played 3 games or more].
- Bethany Christian School is partnered with Sports Power [Golden Grove, Salisbury & Victor Harbor]. If you're interested in signing up for their VIP card with great discounts then please sign up today and contact the Sports Department for more information.
- All Weekly Sports communication will be via email or text message, however your first point of call for information will be the team coach. Should you have any questions please speak to them first.
- All links to Weekly Sports Draws will be published on the school's website.
- The Weekly Sports Program generally starts the first week or weekend of the school Term. To confirm the timetable of events, please view the school's website calendar to confirm dates and time, or contact the Sports Department directly.

If enough interest is registered, meaning enough players are wanting to play, then a second team in the respective age group may be entered into the competition.

Currently all the Weekly Sports teams are performing well, while all the participants are developing sound skills. If you would like any further information regarding the Weekly Sports Program, please feel free to contact the Sports Department.

Please return the attached form to the Sports Department if you would like your child to participate in the Weekly Sports Program.

Sincerely,

Ben Hannaford
