A message from your Coordinator

Hey there, we are writing to share about some excited things we have been doing over the past 2 weeks and what we're doing over the next couple of weeks in O.S.H.C. Our handball competition finished off with one of our finalists playing and winning 2nd place for his team! We have helped the children celebrate their loved ones on our special Mother's Day making craft flowers and enjoying some yummy pancakes for breakfast! Over the next few weeks we will be celebrating special national days such as Reconciliation Week. This week we are kicking it off with a healthy start to our week by discussing healthy options and of course finishing it off with you guessed it, more handball. We can't wait until you can join us in O.S.H.C but for now we will catch you all on the outside near the door to be collected! Thank you for supporting us with this request of meeting us at the door for collection of your beautiful children.
