

GameDay App | How to Guide

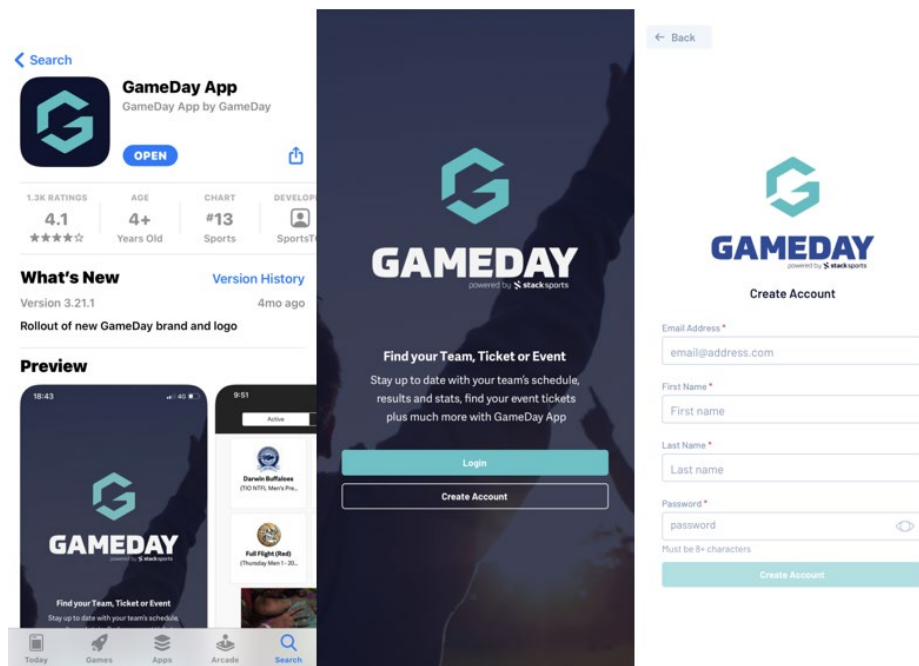

Please see below the current steps to access the Game Day App, and how to access all information relating to your child's team.

Currently most Sporting Centres are using this App to broadcast information. It important to have as it will provide the most up-to-date information.

This guide has been set up from the Apple App Store. Click on the logo below or go to the Apple App Store and Search for [GameDay App](#)

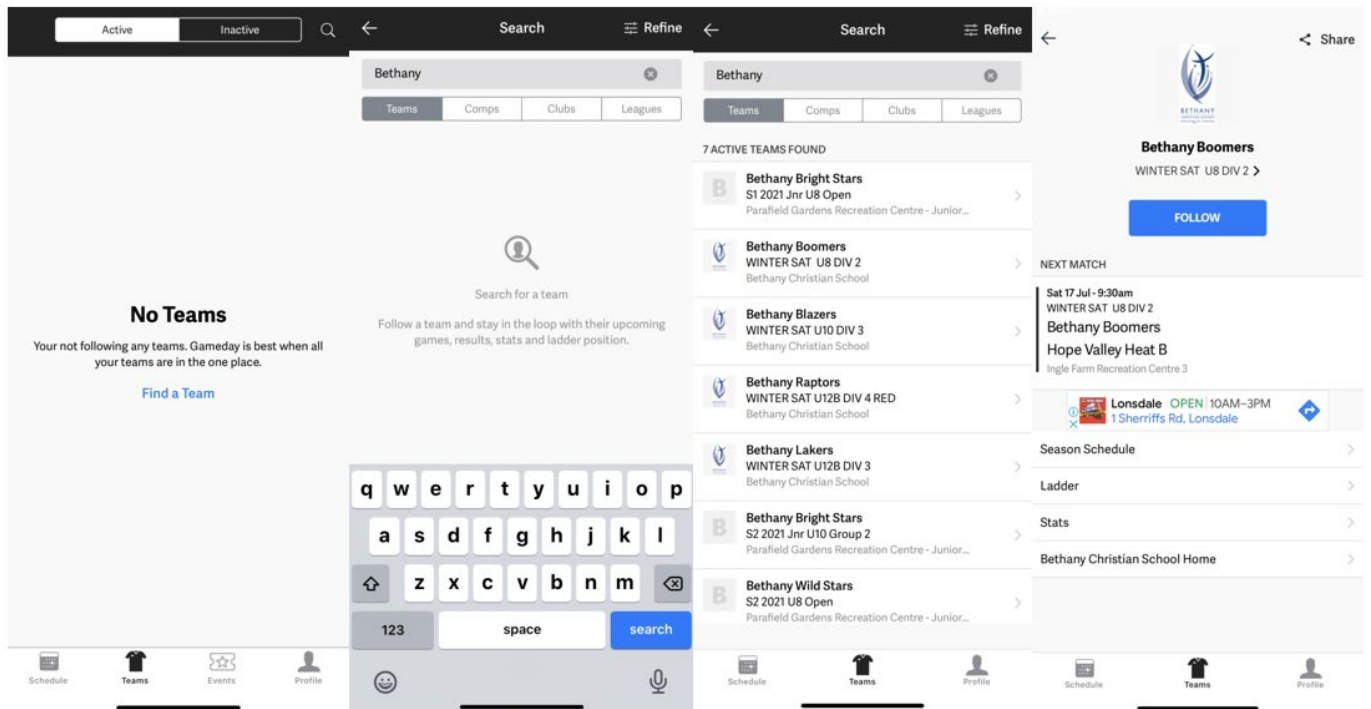

Once downloaded, open the app, Create an Account with an email address you use, or Login.
Below you can see the 'Create Account' page should you need to create an account.

Once you have created your account and logged in, please select **Teams** at the bottom of the menu page,

make sure is also selected at the top.

Please now select  to then search for your child's team.

Type in 'Bethany' and press search, all active 'Bethany' teams should come up that you can select from.

Please select your child's team and then make sure you select on their page. It will also allow you to change the name should you wish to.

From here you should be able to view the teams you are following.

Please make sure you have **Schedule** selected to see who you are following.

It will then have their upcoming games. You can also explore more detailed information from here including Ladder, Stats etc.
