

# BETHANY ELC NEWSLETTER

3RD OF MAY 2022  
TERM 2 WEEK 1

Welcome back to ELC for Term 2! This term is all about creating!

At Bethany we believe that we have all been created in the image and likeness of God. (Genesis 1:26-27). That the Creator of the universe has imparted His own creativity to be displayed through His children. We love to encourage each child to express this in all the fullness and exuberance that God has uniquely given to children.

Over the holidays the ELC students have been enjoying many themed fun days, including a “MasterChef Day,” “Superhero Day,” and a wonderful reminder of real life “Anzac Day” hero’s celebrations across the country.

Some of our projects that we focused on last term will continue this term as the children develop more learning skills into researching and exploring the many aspects of each project. We look forward to sharing the new ideas and interests the children lead our learning towards. We are all looking forward to what this term will bring for our ELC community of students, families, and educators.

We would also like to remind you to fill out the surveys and forms, so we can continue to partner together over the year.
