

# BETHANY ELC NEWSLETTER

6TH OF SEPTEMBER 2022  
TERM 3 WEEK 7

Welcome to our Term 3, Week 7 Newsletter.

How wonderful it is that spring is finally here! We are looking forward to enjoying the sunshine and observing the changes in the environment around us.

As the UV levels rise, a reminder to please send your child with sunscreen already applied and their hat each day. If their hat has been lost, please purchase a new one from the school uniform shop and label it clearly.

As a team we aim to create an environment that is rich in language and opportunities for the development of functional language, vocabulary and social skills. One example of this is the activities that were experienced during Come and Play last week! We hope those who attended enjoyed the time and memories made.

Next week we are heading to the supermarket for an excursion! Another excellent example of activities that can build your child's vocabulary and understanding of the world. Please ensure you have given permission so that your child can attend.

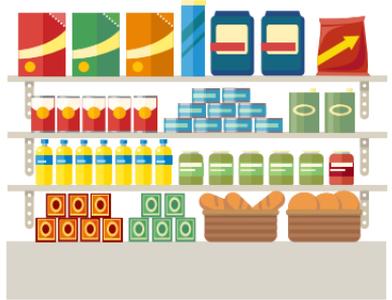

Lastly, as we prepare for our Brilliance Exhibition in Week 10, please remember that you are invited to create something with your child to display. It could be a painting, a LEGO creation, a story, a recycled 3D sculpture or even a cool dance video that can be played on the TV screens! We can't wait to see what you create together.

**God bless,  
Laura Hatcliffe - ELC Assistant Director**
