WEEK 5

Bethany Christian School

Your
OSHC.

Hi Families,

We've been having lots of fun at OSHC with our recent competitions, and it's been wonderful to see so many children getting involved. They've shown fantastic creativity and imagination in their entries!

Our Ocean-Themed Drawing Competition brought in some amazing artwork — we were so impressed by the effort and detail in each piece. A big congratulations to Arwin and Mya for being our well-deserved winners!

At the children's request, we are now running a Lego Building Competition. The children have been enthusiastically designing and constructing their creations, both independently and collaboratively. It has been fantastic to see their teamwork, problem-solving skills, and creativity in action. Choosing a winner is certainly going to be a challenge!

Our community Foodbank drive is also underway. We are incredibly grateful to the generous families who have already contributed donations. Your support makes a real difference. Please continue to bring in any items you are able to donate — every contribution helps.
