

WEEK 3

Bethany Christian School

Your
OSHC.

ROCKETEERS

Hi Families,

Here at OSHC the children have the opportunity to engage in a variety of fun activities that support their development. Last week was National Science Week and the children participated in a number of different science experiences including Lego volcano building, exploring oobleck and a fizzy colours experiment.

Each day at OSHC we write about what the children have been doing and add this to our reflection journal. Feel free to read about the children's experiences when you are in our service.

As previously mentioned, this September Camp Australia will be celebrating 30 Years of OSHC! We are excited to celebrate this special occasion with our children and families and have planned some fun experiences for all to enjoy. We will be having a special birthday party and open day on Tuesday 10th September that everyone is invited to. More details to come in the next newsletter!

Activities coming up

- ✧ OSHC 30th Birthday Celebrations
- ✧ **Tuesday 10th September** - Camp Australia birthday party and open day

Make a booking

Join in the fun of Outside School Hours Care activities and experiences with Your OSHC and Rocketeers.
