WEEK 5

Bethany Christian School

Your
OSHC.

Hi Families,

This week at OSHC, we have been celebrating Science Week! The children have participated in a range of fun and engaging science experiences that encouraged them to be curious, ask questions, make predictions and explore how things work. It has been wonderful to see the children actively involved, sharing their ideas and discovering new things through hands-on learning.

Soccer Incursion – Tuesday 1st September

We are excited to welcome Coles MiniRoos to OSHC for a special soccer incursion on Tuesday 1st September during our after-school care session.

Children will have the opportunity to participate in a one-hour soccer program packed with fun games, movement and confidence-building activities. The session will encourage children to develop their soccer skills while working collaboratively, being active and, most importantly, having fun!
