ROCKETEERS

Hi Families,

We've had a fantastic start to the term, with plenty of creativity and excitement at OSHC!

At the end of last term, children suggested holding another OSHC competition and decided on a nature-themed drawing competition. Over the past two weeks, children have been busy creating their entries, showcasing their wonderful creativity and imagination.

Check out some of their amazing entries below!

Coming Up – National Recycling Week! ♻️🤖

In Week 5, we will be celebrating National Recycling Week by working together to build our very own OSHC robot!

To help bring our creation to life, we are still looking for donations of clean recycled materials, such as cardboard boxes, tubes, cartons and other suitable items.

Any donations would be greatly appreciated. We can't wait to see what the children create!

Activities coming up

- **Week 4 Program Theme:** Space
- **Week 5 Program Theme** Rubbish Robots (National Recycling Week)
