Rubbish Robots

Last week we celebrated National Recycling Week with a variety of exciting activities including Fabric Mache Bowls, Recycled planters, Robot build challenge and Paper Doll scrap fabric fashion. Children also initiated a number of their own experiences including building Pokémon haunted houses, bird feeders, kites, boats and more!

The week's celebration provided a great opportunity to talk to children about the importance of recycling and explore how to reuse materials in new ways. In addition, providing these experiences contributed to our QIP goal 3.2.3 – "The service has recycled materials available for craft and construction activities" as well as improving our overall sustainability practices.

Rocketeers Mission VIII Activated!

Camp Australia is now taking bookings for Rocketeers! Book via the Parent Portal or visit <https://www.campastralia.com.au/rocketeers>.

We have lots of exciting activities planned including World Cup Fever, Festive Fun, Excursion to the Aviation Museum, Brazilian carnival, Exploring Egypt, Lyle, Lyle Crocodile at the movies, Wild Safari and more!

To find out more about what's on offer these holidays visit the Parent Portal or speak to our staff at the service.
